1 SECTION 1. IC 6-1.1-21-5.2 IS ADDED TO THE INDIANA  
2 CODE AS A **NEW** SECTION TO READ AS FOLLOWS  
3 [EFFECTIVE JANUARY 1, 2002]: **Sec. 5.2. (a) The following**  
4 **definitions apply throughout this section:**

5 (1) "Base year" means the most recent calendar year:

6 (A) in which an individual qualifies and files for the credit  
7 under this section; and

8 (B) that is preceded by a calendar year in which the  
9 individual did not qualify or file for the credit under this  
10 section.

11 (2) "Dwelling" means:

12 (A) an improvement to residential real property; or

13 (B) a mobile home not assessed as real property;

14 that an individual uses as the individual's residence.

15 (3) "Homestead" means an individual's principal place of

(B) the individual either owns or is buying under a contract requiring the individual to pay the property taxes on the residence; and

(C) consists of a dwelling and any real estate, not exceeding one (1) acre, that immediately surrounds the dwelling.

(4) "Net property tax bill" means the amount of property taxes currently due and payable by an individual for a particular calendar year after the application of all deductions and credits, except for the credit allowed under this section, as evidenced by the tax statements prepared and mailed under IC 6-1.1-22-8.

(5) "Qualifying individual" means an individual who:

(A) is at least sixty-five (65) years of age; or

(B) has been declared totally disabled for purposes of federal Social Security laws.

(b) Each year a qualifying individual may receive a credit against the net property tax bill on the individual's homestead. The amount of the credit to which a qualifying individual is entitled equals the difference between:

(1) the net property tax bill, before the application of the credit under this section, on the individual's homestead for the calendar year for which the credit is being claimed; minus

(2) the net property tax billed to the individual for that homestead for the individual's base year.

(c) An individual who desires to claim the credit provided by this section must file a certified statement in duplicate, on forms prescribed by the state board of tax commissioners, with the auditor of the county in which the individual's homestead is located. The statement must be filed during the twelve (12) months before May 11 of the year before the first year for which the credit applies under this section. The statement applies for that first year and any succeeding year for which the credit is allowed. The statement must contain the following information:

(1) The individual's full name and complete address.

(2) A description of the individual's homestead and the number of years that the individual has resided at that homestead.

(3) Proof of the individual's age.

(4) The name of any other county and township in which the individual owns or is buying real property.

(5) Any other information requested by the state board of tax commissioners.

(d) If two (2) individuals own a homestead under a tenancy by the entirety and one (1) or both of the individuals meet the eligibility requirements of this section, those individuals are together entitled to one (1) credit under this section.

(e) The auditor of a county with whom a statement is filed under this section shall immediately prepare and transmit a copy of the statement to the auditor of any other county if the individual who claims the credit owns or is buying real property located in the other county. The county auditor of the other county shall note on the copy of the statement whether the individual has claimed a credit under this section for a homestead located in that other county. The auditor shall then return the copy to the auditor of the first county.

(f) Upon receiving a proper credit statement, the county auditor shall allow the credit and shall apply the credit equally against each installment of property taxes payable in that calendar year. The county auditor shall include the amount of the credit applied against each installment of taxes on the tax statement required under IC 6-1.1-22-8.

(g) After January 31 and before February 15 of each year, each county auditor shall certify to the state board of tax commissioners the number and amounts of the credits allowed under this section for that calendar year. Upon receiving the certifications, the state board of tax commissioners shall determine the total amount of the credits allowed in each county under this section and shall certify the totals to the department at the same time the state board of tax commissioners certifies the total county tax levies. The department shall distribute to each county from the property tax replacement fund the amount of credits certified for that county by the state board of tax commissioners at the same time and in the same manner as the department distributes the county's estimated distribution under section 4 of this chapter. Money is appropriated from the property tax replacement fund to make the distributions.

(h) An individual who knowingly or intentionally files a false claim for the credit under this section commits a Class B misdemeanor. In addition to any other sentence imposed on a person convicted of an offense under this subsection, the court shall order the individual to pay the amount of any credit the individual received because of that false claim to the state board of tax commissioners for deposit in the property tax replacement fund established by section 1 of this chapter.
